## **BEAUMONT/PORT ARTHUR COURIER SERVICE**

SPL provides sample pickup and shipping services for our clients in the Beaumont/Port Arthur area. Our qualified courier will pick up project sample coolers from your office and prepare them for same day shipment to the appropriate SPL laboratory.

To order sampling kits or schedule a pickup, please contact:

Bernadette Fini  
8880 Interchange Drive, Houston, TX 77054  
Phone: 713-660-0901  
Email: [bfini@spl-inc.com](mailto:bfini@spl-inc.com)

Sampling kits can also be ordered by visiting our website at [www.spl-inc.com](http://www.spl-inc.com). For questions or proposals, please contact your SPL sales representative.

SPL is a nationally-recognized, full-service laboratory company offering quality environmental, petroleum, and air services to our clients. Our environmental laboratory network is nationally accredited by NELAC and accredited with the Texas Commission on Environmental Quality. Please visit our website at [www.spl-inc.com](http://www.spl-inc.com) for an updated listing of our certifications and other services that we offer.
